

SKYLAR DANIELLE ONEY

Curriculum Vitae – Updated January 17, 2025

EDUCATION

University of Georgia
Doctor of Philosophy in Industrial-Organizational Psychology
Athens, Georgia
Expected Spring 2027

University of Georgia
Master of Science in Industrial-Organizational Psychology
Athens, Georgia
Expected Spring 2025

University of Central Florida
Bachelor of Science in Psychology
Industrial and Organizational Psychology Track
Orlando, Florida
Obtained May 2021

Lake Sumter State College
Associate of Arts
Concentration: Psychology
Clermont, Florida
Obtained May 2019

RESEARCH EXPERIENCE

Graduate Researcher
Healthy Work Lab
University of Georgia
August 2021 – Present

Dr. Malissa Clark, *Lab Director*

- Participate in data cleaning, management, and analysis on various statistical platforms
- Collaborate with lab director and graduate student peers to carry out studies from conceptualization, planning, achieving IRB approval, creating study materials, communicating with participants, conducting analyses, and presenting results (e.g., international conferences, publications)
- Construct study surveys utilizing Qualtrics XM software
- Mentor undergraduate research assistants and provide guidance in preparing conference submissions, preparing conference materials (i.e., poster), performing data analyses, interpreting results, and constructing scholarly writing pieces
- Prepared and presented informational lessons detailing graduate school preparation and application for undergraduate students

Graduate Research Assistant
Assistantship supported by the UGA Provost's Office and NSF CAREER Grant
University of Georgia
Jan. 2024 – Dec. 2024

Dr. Tessa Andrews, *Direct Supervisor*

- Member of interdisciplinary faculty team preparing a NSF ADVANCE grant proposal aiming to address faculty gender and intersectional inequity in science, technology, engineering, and math (STEM) disciplines

- Collaborate with various campus offices and faculty to conduct a deep investigation into university STEM disciplines to identify areas for faculty equity improvement and provide feasible intervention options
- Obtain, organize, and clean large qualitative and quantitative datasets, conduct statistical analyses, and prepare data for interpretation and dissemination to the project team and broader institution
- Created work climate reports for all STEM colleges at UGA, including quantitative and qualitative findings, showcasing current strengths and highlighting areas for improvement

Undergraduate Research Assistant

Research on Organizational and Leadership Effectiveness Lab

Dr. Mark Ehrhart, *Lab Director*

Esteem, Volunteerism, and Interpersonal Helping Lab Subgroup

Dr. Emily Broksch, *Lab Director, Former Doctoral Student of Dr. Mark Ehrhart*

- Participated in numerous studies as an experimenter and confederate, with a focus on organizational citizenship behaviors
- Worked in collaboration with Dr. Steven Whiting and affiliates from the Department of Management within University of Central Florida's College of Business to code qualitative data from Amazon Mechanical Turk studies on organizational citizenship behavior
- Assisted in development of a vignette study by creating scenario scripts and CIT items, constructing a data collection survey on Qualtrics, and completing IRB protocol materials
- Ensured lab equipment was upkept and correct lab procedures were followed

University of Central Florida
August 2019 – May 2021

Undergraduate Research Assistant

Occupational Health Psychology in Practice Lab

Dr. Kristin Horan, *Lab Director*

- Reviewed job safety standards to analyze and code discrepancies between generic standards and occupation-specific standards to address the full range of job exposures for hotel workers
- Performed literature searches and analyses relevant to subjects specified by research grants
- Transferred measures across multiple platforms to create a master codebook, using Microsoft Excel, Microsoft Word, and Qualtrics XM
- Reviewed and timed study surveys before administration to participants

University of Central Florida
November 2019 – May 2021

Undergraduate Research Assistant

Employee Health and Well-Being Lab

Dr. Steve Jex, *Lab Director*

Dr. Xin Peng, *Former Doctoral Student of Dr. Steve Jex*

- Coded qualitative data obtained from Amazon Mechanical Turk using O*NET and Microsoft Excel

University of Central Florida
Nov. 2019 – Jan. 2020

- Utilized R Studio to run analyses, clean, and interpret results of Amazon Mechanical Turk data
- Performed Inter-Rater Reliability Analyses to define percent agreement between fellow data coders

APPLIED/INDUSTRY EXPERIENCE

Consultant; Independent Contractor

HRCatalyst, Inc.

Atlanta, Georgia

Sept. 2024 – Dec. 2024

Dr. Alison Mallard, *President and Founding Partner*

- Performed qualitative analysis of 360° feedback comments for a Fortune 100 organization
- Edited and thematically organized approximately 6-10 pages of open-ended feedback per leader into comprehensive, digestible themes for use by executive-level managers in annual subordinate performance evaluations
- Produced three deliverables for various employees and teams, including thematically organized raw feedback data, competency summaries, and anonymized full reports
- Maintained tight deadlines, ranging from 24-72 hour turnaround times based on deliverable type and client needs

TEACHING EXPERIENCE

Graduate Teaching Assistant

PSYC 3980 – Research Design in Psychology

PSYC 3990 – Research Analysis in Psychology

University of Georgia

August 2021 – Present

- Lead instruction for a lab section of approximately 35 students, teaching various statistical analyses and methods using R
- Create research analysis lab lesson plans and assignments
- Responsible for grading assignments, research reports, and exams
- Assist with development and delivery of content in a classroom setting
- Hold review sessions prior to exams and administer exams
- Facilitate one-on-one writing workshop sessions for students who wanted to build skills in research planning and paper writing

Undergraduate Teaching Assistant

PSY 3074 – Career Readiness II (Psychology Department)

PSY 3024 – Career Readiness I (Psychology Department)

Dr. Karen Mottarella, *Senior Lecturer, Instructor*

University of Central Florida

January 2020 – May 2021

- Responsible for approximately 60 undergraduate students per semester
- Maintained effective communications with Dr. Mottarella and served as a point of contact for students throughout the semester

- Assisted students in understanding course requirements and grading practices to facilitate their academic success
- Graded and provided feedback on written assignments and course projects
- Performed rating of resumes, mock interviews, and professional introductions in collaboration with assessment center students

LEADERSHIP EXPERIENCE

IOPSA Student Offices Chair

Industrial-Organizational Psychology Student Association

Advised by Talia Culotta, *IOPSA President*

- Maintain cleanliness and organization of doctoral program lounge and meeting space
- Take inventory of supplies, food, and other materials and replenish as needed
- Submit proof of payment and itemized expenses for reimbursement

University of Georgia

August 2024 – Present

IOPSA Professional Development Series Chair

Industrial-Organizational Psychology Student Association

Advised by Dr. Jeff Olenick

- Identify and seek out leading academic, practitioner, and skill-focused individuals and arrange their visit in consultation with the I/O Doctoral Program Chair and Faculty Professional Development Series Committee
- Organize logistics of speaker visits; including scheduling, graduate student meet-and-greets, happy hours, speaker accommodations, travel, and meals when applicable
- Create advertisements for Brown Bag speaker events and distribute them to the students and faculty of the I/O Psychology and Organizational Behavior Doctoral Programs

University of Georgia

August 2023 – May 2024

Graduate Research Lab Manager

Healthy Work Lab

Dr. Malissa Clark, *Lab Director*

- Recruit undergraduate research assistant candidates, administer and score work samples, conduct interviews, and facilitate onboarding for research assistants upon acceptance into the lab
- Coordinate lab meeting times and locations with all lab members
- Assist in planning and preparing lab meeting materials for various skill trainings and educational content for undergraduate research assistants
- Serve as the primary point of contact for individuals wishing to join or collaborate with our lab
- Maintain the Healthy Work Lab website and social media page communications

University of Georgia

May 2022 – May 2024

**Summer Undergraduate Research Education Program (SUREP)
Coordinator**

University of Georgia
April 2023 – June 2023

Advised by Dr. Allison Skinner-Dorkenoo

- Reviewed applications and select approximately 400 students to participate in the program, with a focus on inclusion of participants from historically marginalized or underrepresented identities (e.g., first-generation college students, racial/ethnic minority groups, women)
- Coordinated schedule for duration of program, recruited guest speakers, facilitated connections with faculty research labs to secure research experience for undergraduate SUREP students
- Mentored and managed progress of SUREP students' research poster presentations and coordinated the resulting poster session
- Managed technical communications on Zoom and facilitated instructional sessions twice weekly

IOPSA Newsletter Chair

University of Georgia
August 2021 – May 2023

Industrial-Organizational Psychology Student Association

Advised by Dr. Malissa Clark

- Created content plans for the UGA IOPSA (Industrial/Organizational Psychology Student Association) newsletters for current program members and alumni
- Conducted interviews with program alumni
- Gathered relevant information from current program students and faculty, including but not limited to program milestones, personal and professional achievements, position appointments, publications, and presentations

Undergraduate Research Lab Manager

University of Central Florida
December 2019 – May 2021

Esteem, Volunteerism, and Interpersonal Helping Lab

Dr. Emily Broksch, *Lab Advisor, Former Doctoral Student of Dr. Mark Ehrhart*

- Responsible for training and management of over 10 undergraduate lab members regarding proper research procedures and study specifications
- Utilized the University of Central Florida's SONA Research Participation System to create and manage study time slot appointments and grant study credit to participants
- Facilitated participant scheduling and coordinated study appointment times with research assistant availabilities
- Involved in creation, review, and revision of study content, protocols, and IRB materials

Leadership Development Chair

University of Central Florida
January 2020 – April 2020

Omicron Delta Kappa National Leadership Honor Society

Dr. Stacey Malaret, *Society Advisor and Director of LEAD Scholars Academy*

- Responsible for planning and execution of Professional Development Events on campus for society members

- Collaborate with Social Media Chair to share information about Professional Development Events with members
- Maintained correspondence with other campus offices to participate in leadership development activities and events throughout the year
- Provided training to succeeding Leadership Development Chair during transitional period

SERVICE AND VOLUNTEERING

Psychology Department Diversity Assistant

Advised by Dr. Allison Skinner-Dorkenoo

University of Georgia

August 2022 – May 2023

- Compiled a resource pool of approximately 200 Diversity, Equity, and Inclusion (DEI)-related resources designed to align with popular undergraduate Psychology courses for use by faculty and graduate instructors
- Attended various American Psychological Association (APA) trainings and online seminars to learn and compile best practices and suggestions for how instructors can incorporate DEI into their teaching and course material
- Assisted faculty members by finding, compiling, and organizing resources for specific graduate-level courses at their request to facilitate a more tailored experience to incorporate DEI in their courses
- Coordinated with the Psychology Undergraduate Mentoring Program (PUMP) Coordinator to schedule, facilitate, and lead PUMP student seminars, which are designed to benefit first-generation students and students from historically marginalized or underrepresented groups to help them learn about and prepare for graduate school

SIOP Conference Registration Desk Volunteer

Society of Industrial-Organizational Psychology

Supervised by Dr. Emily Solberg, *SHL Managing Consultant*

While at University of Georgia

April 20, 2023 in Boston, MA

- Welcomed attendees and provided them with their conference name tags, lanyards, and associated conference materials (i.e., programs)
- Fielded questions and provided conference attendees with information about dates, times, events, and other meeting logistics
- Provided technical support to attendees using the searchable program, On Site Guide, and Whova conference app

SIOP History Committee

Society of Industrial-Organizational Psychology

Advised by Dr. Wendy Bedwell, *University of Memphis*

While at University of Georgia

August 2021 – May 2022

- Collaborated with other members of the history committee to begin constructing an Industrial-Organizational Psychology Family Tree of mentors and mentees of individuals in our field

PRESENTATIONS

*Denotes undergraduate research assistant mentees.

Oney, S.D., (Co-Chair) & Clark, M.A. (Co-Chair) (2025, April 2-5) [Symposium]. *From taboo to hot topics: Cutting edge research on women's work-related experiences*. Society for Industrial and Organizational Psychology Annual Conference, Denver, CO, United States. Smith, C.E., Lee, S., Barnes, C.M., Thalil, M., & Mark, K. (2025). *Extending job demands-resources models to employee sexual health*. Chen, J.P., Arena, D.F., Guerrero, P., Gabriel, A.S., & Jones, K.P. (2025). *Exploring and understanding profiles of daily prenatal impression management at work*. Fletcher, K.A., French, K.A., Moran, L., Garcia, S., & Todd, T.M. (2025). *Abortion-facilitative and other healthcare benefits signal organizational values*. Decker, M., Stockdale, H., Barnes, L.Y., & Grandey, A.A. (2025). *Menopause in the military: Navigating health, leadership and allyship*.

Guffey, L.J., **Oney, S.D.**, & Clark, M.A. (2024, June 19-22). *How Telepressure Affects Life Satisfaction and Detachment: The Moderating Role of Workaholism* [Poster]. Work and Family Researchers Network Biennial Conference, Montreal, Canada.

Oney, S. D., Shockley, K.M., Eatough, E., & Minei, E. (2024). *Making bread and eating it too: Family division of labor and female breadwinner couple outcomes*. In Smith, C.E., & French, K.A. (2024, April 17-20) *Delving into Dual Earners: Romantic Partners in Work-Family Research* [Symposium]. Society for Industrial and Organizational Psychology Annual Conference, Chicago, IL, United States.

*Romick, C., *Watson, L., **Oney, S.D.**, & Clark, M.A. (2023, October 20-21). *Perceived organizational support through a lens of racial tension and challenging times* [Poster]. River Cities Industrial and Organizational Psychology Conference, Chattanooga, TN, United States. **Awarded second place for best poster at conference.**

Oney, S. D., Clark, M. A., & Sanders, K. N. (2023, April 19-22). *When doing good isn't good enough: Public service motivation and loan forgiveness* [Poster]. Society for Industrial and Organizational Psychology Annual Conference, Boston, MA, United States.

Broksch, E.A., Gonzalez, M., **Oney, S.D.**, Gonzalez, S., Rodermond, A., & M.G. Ehrhart. (2022, April 27-30). *Paying it forward: For the greater good* [Poster]. Society for Industrial and Organizational Psychology Annual Conference, Seattle, WA, United States.

*Guice, K.B., **Oney, S.D.**, & Clark, M.A. (2022, October 14-15). *Investigating the Public Service Loan Forgiveness Program's impact on public service employees* [Poster]. River Cities Industrial and Organizational Psychology Conference, Chattanooga, TN, United States. **Awarded honorable mention for best poster at conference.**

PUBLICATIONS

Oney, S.D. (2021). *All good things must come to an end: Finding the connection between citizenship pressure, organizational citizenship behaviors, and job-related affective well-being* (Publication No. 966) [Honors undergraduate thesis, University of Central Florida]. Showcase of Text, Archives, Research and Scholarship. <https://stars.library.ucf.edu/honorsthesis/966>

Omicron Delta Kappa National Leadership Honor Society
Phi Theta Kappa Honor Society
Psi Chi, The International Honor Society in Psychology
Society of Collegiate Leadership and Achievement
Society for Industrial and Organizational Psychology
Tau Sigma National Honor Society

WORK EXPERIENCE

Trainer, Shift Leader, Server

Miller's Ale House

Winter Garden, Florida

May 2022 – August 2022

October 2018 – August 2021

- Assisted customers with menu questions, remedy guest complaints, and ensure guest satisfaction
- Supervised fellow servers and guarantee that exceptional customer service is provided, as well as optimal efficiency
- Partook in new employee onboarding and completion of necessary curriculum and paperwork
- Contributed to team effort through task prioritization, multi-tasking, and flexibility

Training Manager, Shift Supervisor

Panera Bread

Clermont, Florida

Dec. 2016 – Oct. 2018

- Supervised 10 to 14 employees while ensuring excellent product quality, customer service, and overall guest satisfaction

- Facilitated new employee onboarding, creation of training schedule, and completion of federal paperwork
- Established strong employee relationships and cross-trained current employees in preparation for promotion
- Conducted inventory counting, register transaction audits, and product ordering
